

ECO-TOURISM SNORKELING TOURS

PONCE, PUERTO RICO

Caribbean Images Tours

Come to Ponce and enjoy an eco-tourism friendly and professionally guided snorkeling experience where the waters are clean, clear and calm.

Take the tour to the pristine Nature Reserve and underwater snorkeling trail of Caja de Muertos Island. Spend your time relaxing on its beautiful, white sand beaches. Be delighted in the

abundant marine life as you snorkel and explore the perimeter of the island.

Or experience a scenic boat ride to Isla Ratones and discover the underwater world of the beautiful corals and colorful tropical fish of this tiny uninhabited island.

Other favorite excursions include our full day trip to Gilligan's Island. There you will snorkel and explore the channels of isolated mangrove cays along the south coast of Puerto Rico.

A fun, learning experience for the entire family that will be remembered!! Beginner snorkelers are welcome.
